High Point Village

Camp Adventureland
High Point Village brings enrichment, meaning, and purpose to every activity.

Our mission is to create a village where individuals with intellectual disabilities can live, learn, work, worship, and achieve their full potential.

High Point Village takes the safety and happiness of each Villager, Volunteer and Staff member very seriously.

For that reason a Villager must meet the following requirements:

- Be 7 years or older
- Have a primary diagnosis of an intellectual or developmental disability
- Be independent in mobility and the basic activities of daily living skills including toileting, grooming, dressing, and eating. (We provide verbal prompts and reminders, but Villagers must be able to complete these tasks independently)
- Be free of physically aggressive and threatening behaviors. (Hitting, kicking, biting, pinching, scratching, yelling, etc.)
High Point Village brings enrichment, meaning, and purpose to every activity.

With a full time Enrichment Coordinator, a dedicated staff, and a team of trained volunteers our Villagers are able to complete tasks as independently as possible.

High Point Village maintains a low Villager to instructor ratio to ensure every Villager has a positive, fulfilling, and fun experience!
